EKRAN

choreography show / go-go / interactive animation

duration of show: 5 min

number of artists: 3

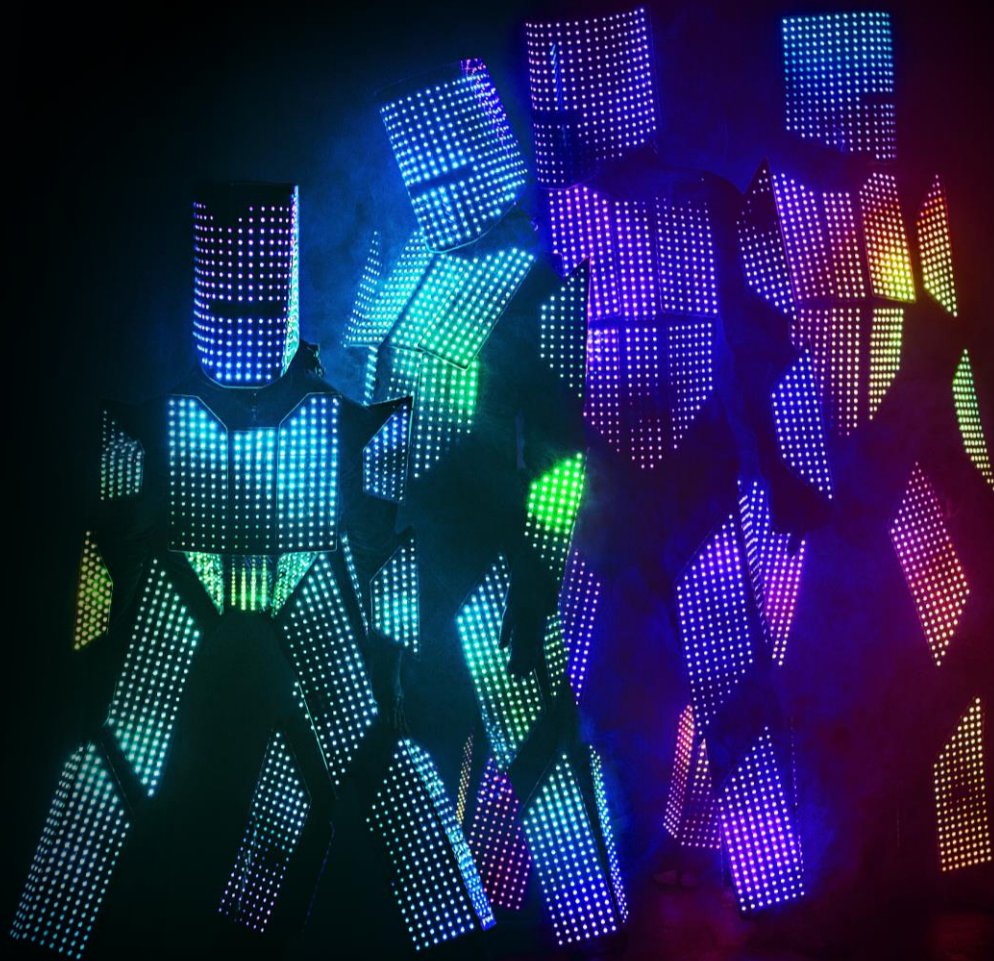

possibility of product placement (brand, logo)

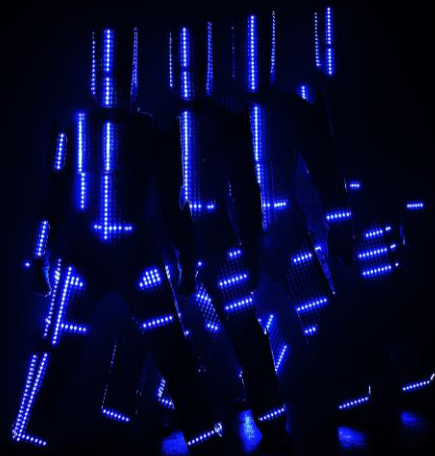

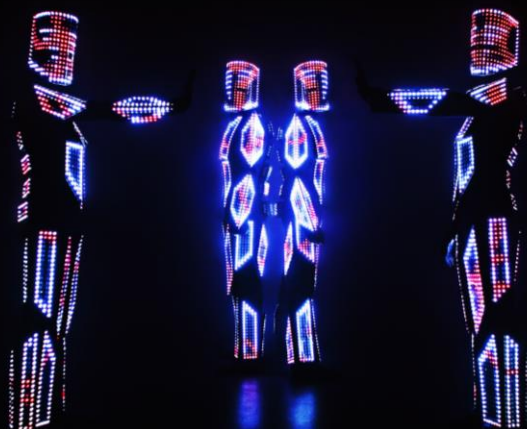

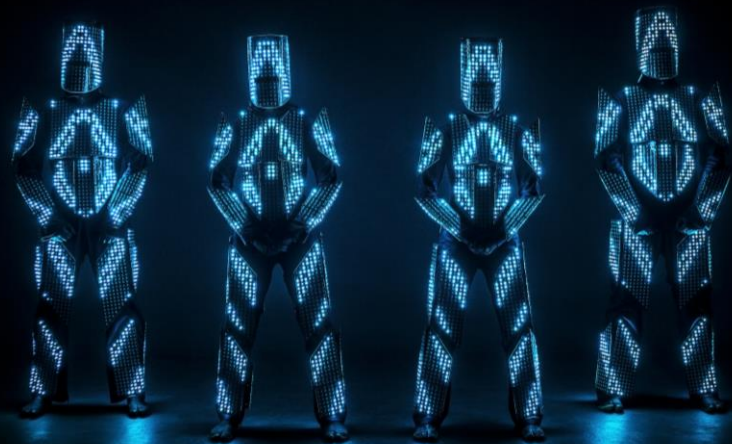

It's not a secret that digital technologies have become an integral part of the real world.

This is something that allowed us to create a show where the attention of spectators follows the flow of graphic content that is broadcasted

on the high-tech costumes.

Ekran Show is a visual-informational performance, an exciting dance of graphics and your emotions.

MIRRARI

choreography show / go-go / interactive animation

duration of show: 5 min

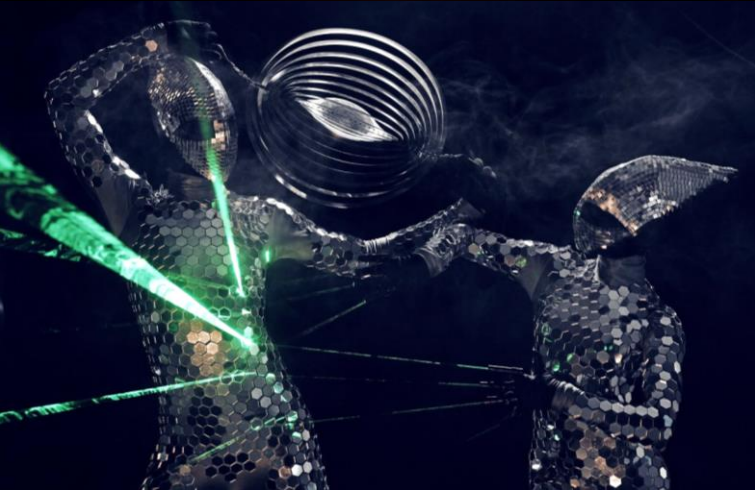

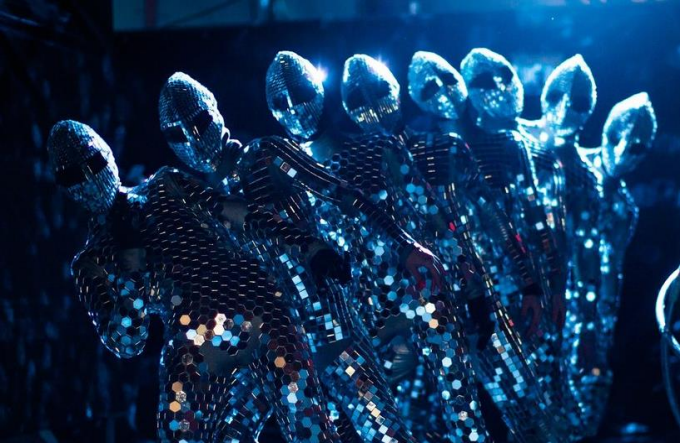

number of artists: 3

number of equipment: 5

possibility of product placement (brand, logo)

Mirrari is a reflection, the amalgam world. A ray of light shatters and refracts, bursting into the message of million copies which bends and warps in the optical brightness of the delusive mirror maze.

NARAYAN

choreography show / go-go / interactive animation

duration of show: 5 min

number of artists: 4

number of equipment: 4

Flickering array of lights covering these creatures' bodies can carry one's mind into the world of binary code and digital dreams. Meet the dwellers in the cybernetic realm of zeroes and ones with Narayan.
